## WHAT IS THE BIBLE

The Bible is the Word of God. In the Bible, God reveals who He is, which is fulfilled in Jesus Christ.

In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it.

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth. - **John 1:1-5, 14**

"In the sacred books, the Father who is in heaven comes lovingly to meet his children and talks with them." - Catechism of the Catholic Church (CCC) Paragraph 104

"God is the author of Sacred Scripture because he inspired its human authors: he acts in them and by means of them. He thus gives assurance that their writings teach without error his saving truth." - CCC Paragraph 136

## Outline of God's Covenants with Mankind

---

### Purpose of the Covenants:

- **Covenants are not just a promise, they are stronger. Covenants are eternal.** In the Old Testament, God did not create the world and then back off to let us figure everything out on our own. Instead, God wanted us to be a part of His family. **In order to create that “family bond” God made a covenant with His people.** Marriage is like that. A man and a woman come together to make a covenant – a family.
- **Jesus is the fulfillment of the covenant God made with mankind.**
- **Connect the Dots: The covenants in the Old Testament help us to connect the history of God's people. Each covenant comes from God. God tells us that He wants us to be in His family, but we must be faithful and obedient to His law. Unfortunately, mankind broke our end of the covenant by sinning.**
- **These are the main covenants of the Old Testament:**
  - **Adam and Eve: The first covenant is with a man and woman, husband and wife. They are to give completely of themselves as a sign of God's love.**
  - **Noah and his family: The second covenant expand to include Noah and his family.** During Noah's time, most of the world had turned away from God, but Noah was considered a “righteous man” and found favor with God. God establishes a covenant with Noah and calls his family to remain faithful. God promises to never flood the earth again.
  - **Abraham and Sarah: What is bigger than a family? In the Old Testament it's a tribe. The third covenant God establishes is with Abraham, Sarah and their tribe.** Again, Abraham was a faithful man who found favor with God. God promises Abraham that he will be the **father of many nations and his descendants will outnumber the stars. With this covenant, God calls the people to be obedient and trust in Him.**
  - **Moses: Abraham's descendants become the Israelites and their numbers grow. They migrate to Egypt and are enslaved by the Egyptians. God calls Moses to lead His people out of slavery and into the Promised Land – their own nation. God reveals His name, I AM (Exodus 3) and gives them the Ten Commandments to follow. This covenant is to establish a holy nation that worships the One, True God.**
  - **David: The last major covenant in the Old Testament is with David and the Israelite Kingdom.** After the Israelites are in their new land, they are governed by spiritual leaders called Judges. However, they soon begin to demand a king who has authority. God makes a covenant with David and the Israelite people that He will be their God and they will be His people. **This covenant establishes a kingship that will be fulfilled in the person of Jesus Christ, the King of kings.**
