## Third Sunday in Ordinary Time

January 21, 2024

Message  
from your Pastor

My Dear Parishioners,

Today we are reminded of how a personal encounter with Jesus can change lives. This is the grace and power of God. We hear in our Gospel passage about Christ and His first Apostles. This was most certainly the case with them. Coincidentally, this Thursday we will celebrate the feast of the “Conversion of St. Paul,” marking one of the most dramatic events in the whole New Testament.

Paul was a devoted, one might say fanatical, young Jewish man who was zealously devoted to his idea of God’s plan for salvation. But the life, death, and resurrection of Jesus was something that did not fit into that plan. As a result, he became angered by the preaching of the Gospel and began to persecute the young Church.

It’s hard to imagine anyone so dedicated to the silencing of the Gospel message! Then on the road to Damascus, all of this changed. Even as Paul was filled with rage and anger, the Lord appeared to him. He spoke a word into his heart, and from then on things were different. Paul was freed from his self-centeredness and his ambitiousness. Eventually his blindness gave way to a new light and he began to see with the eyes of faith.

This is the power of the presence of Jesus, the full force of the Gospel message. The Lord can truly change lives, and even the most unlikely ones! As we are reminded today of the power of the presence of Jesus, may we invite Him into our lives and into our hearts! His presence makes all the difference in the world!

Sincerely yours,  
Msgr. Radocha

**JANUARY IS NATIONAL POVERTY  
AWARENESS MONTH**

As poverty rises across the nation and the world, Pope Francis challenges us to overcome indifference to the cry of the poor and use our gifts to take action. We would like to thank you for taking action during the past year by donating 16,185 pounds of food to the Easton Area Society of St. Vincent de Paul Food Pantry. This included food donated by parishioners, the school, Vacation Bible School, and a special concert put on by the Choir and musicians. We also received cash donations from The Women's Group and parishioners which enabled us to buy food and diapers. We are always grateful to receive any variety of non-perishable food. However, at this time, our greatest needs are for **spaghetti sauce, jelly, oatmeal and canned fruit and vegetables**. Please don't donate large commercial or family sized packages of food or food packed in glass containers. Leave your donated food on the table in the Gathering Space before Mass on the weekend of **January 27<sup>th</sup> – 28<sup>th</sup>**. If you have any questions, contact Dennis or Ellen Potter at 610-253-0814 or [dgpelp@rcn.com](mailto:dgpelp@rcn.com)

**How to Prepare for a Doctor's Appointment**

We've all been there. Your doctor asks "How are you?" and you reply "fine". We are reluctant to talk about what really bothers us or symptoms we are having. We may struggle with trying to describe what has been happening accurately not wanting to either underreport a problem or to exaggerate. Here's a suggestion. Try quantifying. There is a big difference in these answers. Well, I'm not sleeping very well. And this description. In the last two weeks, 10 of those nights it took me more than an hour to fall asleep. With the second answer, the health care provider has a more accurate understanding of just how prevalent the sleep disturbances occur. With the more accurate description, the provider has an opportunity to provide an intervention targeted to you. So, the next time you want to describe a symptom, try quantifying.

A few more suggestions that might be helpful as you prepare for your next medical appointment:

- Make a list of questions and prioritize your concerns.
- Remember to bring your health insurance cards.
- Take information with you to the doctor, including any appropriate medical records if you have them.
- Bring a list of all of medications including vitamins and nutritional supplements. Also any allergies to medications food, and seasonal allergies should be recorded and discussed with your health care provider since they may influence which medications you can or cannot take.
- Consider bringing a family member or friend to the doctor's visit.
- Know your family health history as it may have a significant impact on your current health and wellbeing.
- Be sure you can see and hear as well as possible.
- Take notes and jot down important information that come up during your appointment.
- Don't leave until all of your questions have been answered and you understand what to do next. Take note paper to jot down important information that comes up during your appointment.

Lord Jesus, You are the source and lover of life. Reawaken in us respect for every human life. Help us to see in each child the marvelous work of our Creator.

Open our hearts to welcome every child as an unique and wonderful gift.

Guide the work of doctors, nurses and midwives. May the life of a mother and her baby in the womb be equally cherished and respected. Help those who make our laws to uphold the uniqueness and sacredness of every human life, from the first moment of conception to natural death. Give us wisdom and generosity to build a society that cares for all. Together with Mary, Your Mother, in whose womb You took on our human nature, help us to choose life in every decision we take. We ask this in the joyful hope of eternal life with You, and in the Communion of the Blessed Trinity. Amen.

**Walking with Moms in Need**

Walking with Moms in Need is a pastoral initiative through which Catholic parishes and communities "walk in the shoes" of local pregnant and parenting women in need. St. Jane Frances de Chantal Church is

honored to be the first parish in the diocese to participate in this ministry!

Our goal is for each parishioner to know where to refer moms in difficult circumstances. While not trying to turn Catholic parishes into pregnancy centers, we can support local pregnancy centers where they exist, and we can also find and share other resources with pregnant and parenting women. Where there are few local resources, we can create our own, based on the gifts of the parish community! St Jane's WWM has grown to over 100 volunteers since last February, but still needs more parishioners to join this Christ-centered ministry. Please consider joining this very important ministry!
