## Fourth Sunday in Ordinary Time

January 28, 2024

My Dear Parishioners,

This coming week, January 28th- February 3rd, we will be celebrating Catholic Schools Week. This annual nationwide celebration puts the spotlight on the role that Catholic elementary and secondary schools across the country play in providing a faith-centered education for America's young people. Here at St. Jane's we are proud to celebrate our elementary school and the fine job it does of providing a faith-based curriculum for our children.

Catholic Schools Week celebrates the fact that the education we offer goes beyond preparation for secular life. This year's theme, "Catholic Schools: Faith, Excellence, Service" highlights one of the most beautiful and powerful truths about Catholic education: the heart of the mission of Catholic schools is not merely good teaching, but the formation of the whole child. In Catholic Schools our students are challenged to high academic standards, but they are also expected to put their faith into action by volunteering in the community or parish.

Indeed, our Catholic Church has a long and rich tradition of direct service to those in need, as well as social justice efforts to end social ills like racism and gender inequality. The Corporal and Spiritual Works of Mercy focus on things that each individual believer can do to help others – things like feeding the hungry and instructing the ignorant. The principles of Catholic social teaching focus upon solving long-term systemic problems in society like homelessness, poverty and violence.

Catholic Schools Week is a wonderful time for parents of prospective Catholic school children to investigate Saint Jane Frances de Chantal Elementary School. If you have already chosen a Catholic education for your child, I thank you for your generosity and self-sacrifice! If you are thinking about a Catholic education for your child, I Recommend Saint Jane's Elementary School and Notre Dame High School. Catholic education can make a critical difference in your child's life. As we celebrate Catholic Education, I ask all of you to please join us with your support! Our Catholic schools are an invaluable tool in providing a faith-based education to all our sons and daughters!

Sincerely yours,  
Monsignor Radocha

**The Rosary is prayed Monday through Saturday before Mass. The Chaplet of St. Michael the Archangel is prayed Monday through Friday after Mass. Divine Mercy is prayed after the 9AM Saturday Morning Mass.**

**MUSIC MINISTRY UPDATES**

Our parish is grateful to all the members of our music ministry who helped to provide beautiful music at our Christmas liturgies.

If you would like to be part of one of our groups you are welcome. Those who dedicate themselves in our music groups do so to help inspire the congregation to sing.

Our **Adult Choir** sings at the 10:00AM Mass every Sunday and for special liturgies, including Holy Week and Easter, which is fast approaching! **Rehearsals are on Thursday evenings from 7:00PM-8:30PM.** We sing in four part harmony.

Our **Contemporary Choir** sings at the 12:00 Noon Mass on the second and fourth Sunday of every month. We rehearse on **Tuesday Evenings from 7:00PM-8:00PM.** We are a group of singers and instrumentalists who enjoy learning music for our liturgies.

**Our Angel (Children's) Choir** meet seasonally and sing for Thanksgiving, Christmas, Easter and First Holy Communion. We practice on Saturday mornings. Rehearsals will be announced in the bulletin and through our school and CCD program. Announcements for the Spring season will be posted soon.

If you would like more information on any of our music programs contact:

**How to Prepare for a Doctor's Appointment**

We've all been there. Your doctor asks "How are you?" and you reply "fine". We are reluctant to talk about what really bothers us or symptoms we are having. We may struggle with trying to describe what has been happening accurately not wanting to either underreport a problem or to exaggerate. Here's a suggestion. Try quantifying. There is a big difference in these answers. Well, I'm not sleeping very well. And this description. In the last two weeks, 10 of those nights it took me more than an hour to fall asleep. With the second answer, the health care provider has a more accurate understanding of just how prevalent the sleep disturbances occur. With the more accurate description, the provider has an opportunity to provide an intervention targeted to you. So, the next time you want to describe a symptom, try quantifying.

A few more suggestions that might be helpful as you prepare for your next medical appointment:

- Make a list of questions and prioritize your concerns.
- Remember to bring your health insurance cards.
- Take information with you to the doctor, including any appropriate medical records if you have them.
- Bring a list of all of medications including vitamins and nutritional supplements. Also any allergies to medications food, and seasonal allergies should be recorded and discussed with your health care provider since they may influence which medications you can or cannot take.
- Consider bringing a family member or friend to the doctor's visit.
- Know your family health history as it may have a significant impact on your current health and wellbeing.
- Be sure you can see and hear as well as possible.
- Take notes and jot down important information that come up during your appointment.
- Don't leave until all of your questions have been answered and you understand what to do next. Take note paper to jot down important information that comes up during your appointment.
