Fourth Sunday of Lent

March 10, 2024

Dear St. Jane's Family,

Happy 4th Sunday of Lent & greetings from Ireland! I am currently on a spring break mission trip with students from Lehigh University and several other colleges doing evangelization work in County Galway and making a pilgrimage to the shrine of Our Lady of Knock in County Mayo! Just like our little parish shrine to Our Lady outside of the church, the Blessed Mother is a great symbol of hope as she points us to her Son, Jesus Christ. The unique apparition in Knock, Ireland was also a Eucharistic one as Mary appeared standing next to an altar upon which was the Lamb of God. As the people of Western Ireland were about to suffer one of the worst famines in their history, Mary appeared to bring hope and to remind her children that God will provide for all that we need especially in the gift of His only Son to bring us the bread from heaven and food to nourish us on our journey.

I will be praying for our parish family on my pilgrimage and that our Lenten journey would be a time of renewing our hope in Jesus' presence with us in the Most Blessed Sacrament which renews and strengthens us every day!

May God bless your journey and keep walking in the light of Christ!
Our Lady of Knock, pray for us!

Fr. Mark Searles

P.S. Speaking of hope and strength on the journey... I was able to visit Msgr. Radocha before my travels and his health is greatly improving! He sends his love and gratitude to you all and hopes to be back at St. Jane's sometime during the month of April. Thanks for keeping him in your thoughts and prayers!

The Rosary is prayed Monday through Saturday before Mass. The Chaplet of St. Michael the Archangel is prayed Monday through Friday after Mass. Divine Mercy is prayed after the 9AM Saturday Morning Mass.

If you give a kid a Catholic School Education
By: Marlow Pretopapa, 5B

If you give a kid a Catholic School education....

She will want to learn about Jesus, God and all the Angels and Saints up in heaven.

This will inspire her to hold on to Jesus in hard times such as when she needs help on a test just as St. Tarcisus held on when he volunteered himself for Jesus.

She will learn to use her free time to help people in need with food drives and donate just as she learned about in school when they would collect money for charities such as Dream Come True.

She will want to set a good example for people around the world and spread the Good News of the Lord with His amazing miracles like the time when Jesus healed the lepers and how Jesus was not afraid of the sick people just as Saint Damien who worked with the lepers.

And those around her will take her example and be the hands of the Lord and help people in need even if they are sick, contagious or in need of help.

On her best days she will realize how lucky she is to go to a school where she can learn about God and His beautiful Son's work like she learned every day in religion class at school.

And through the storms of her life she will pray about all her hard times and ask God to put it in His hands because she knows that all her teachers when she was in school said 'Jesus and God will handle it for you'.

Her mind will be enhanced and her heart will grow bigger and bigger each and every day because she knows that God and Jesus will take care of her and her family.

And as she grows in her faith she will long for becoming a better disciple of Christ as Father Guency said in the homily at our school Mass. She will stick up for people if they are getting bullied.

At one point she will graduate and want to come back to St. Jane parish for confession just as she did when she was younger at school because Father Mark made her feel so loved.

But she will NEVER forget when she was so scared to walk up to receive her First Holy Communion and Msgr. Radocha made her feel so calm and confident. Now she is so confident to walk up and receive her Holy Communion.

Then she will always go to St. Jane Parish to receive Holy Communion and say all the prayers such as the Our Father with her family every Sunday.

(continued)

And the chances are if you give this kid a Catholic School education she will never forget how she was so loved and will want to send her kids to St. Jane School one day to learn about Jesus, God and all the angels and saints up in heaven.

HELP WANTED: Any recently retired teachers in our parish interested in subbing or helping as a reading aide? We prefer someone with education experience. Help the Diocese of Allentown Grow!

St Jane Frances de Chantal is on a journey to know, love, and serve Christ in our parish community. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

The 10-15 minute survey can be accessed through <https://portal.catholicleaders.org/dmi/survey/b36ydb> or through the St Jane's parish web site. If you do not have access to a computer there are paper copies available in the gathering space.

Let YOUR voice be heard! Bishop Schlert requests that ALL parishioners in the Diocese of Allentown partake in the **Disciple Maker Index (DMI)** survey. This important survey will make a huge impact on our Diocese, allowing us to improve and better serve our community! It only takes 10-15 minutes and it will benefit thousands of people -- including you!

Thank you for helping with this important project and please continue to pray for this intention and for the growth and protection of our parish.

St. Monica Ministry

The St. Monica Ministry was founded at St. Theresa Parish, Hellertown, in November, 2022. It is a community and prayer network for the families and friends of fallen-away Catholics, with subscribers in forty U.S. states, as well as in Spain, South Africa, Malta, Trinidad and Tobago, the Philippines, Nova Scotia, Ireland, Australia, and Canada. Each month at St. Theresa Church, the St. Monica Ministry sponsors a Holy Hour to ask Our Lord's mercy and to invoke the intercession of St. Monica for our fallen-away loved ones. Our next Holy Hour will take place **Tuesday, March 12th** at 6:00pm. Presiding will be Rev. Brendon Laroche, pastor of St. Ursula Parish. Immediately following the Holy Hour, a meeting and book discussion will take place in Friendship Hall. All are warmly welcome to attend! For information, please email StMonicaMinistry27@gmail.com

Quick Tips for Healthy Eating with Diabetes

Good nutrition is a basic and important diabetes care tool. Eating healthy can help control blood sugar. And good control protects your long-term health and reduce the risk of diabetes complications.

Diets for people living with diabetes are often based on eating healthy meals at regular times. The practice of eating meals at regular times helps one's body to better use the insulin that it makes and/or gets through medicine.

Suggestions to consider include:

Eat three meals a day and an evening snack. Do not skip meals, especially if on insulin or taking pills for diabetes.

Control your portions and reduce temptations for seconds by keeping the serving bowls out of reach.

Include fresh fruit, vegetables, low fat dairy products, lean meats, fish, poultry, tofu, and whole grains.

Choose chicken without the skin, lean cuts of meats, or fish. Trim fats that you can see.

Limit desserts/sweets and sugars. Avoid syrup, candy, jellies, cookies, and honey, or try the sugar free or diet types of these foods.

Consider using sugar substitutes as a sweetener. Drink water rather than regular soda.

Select canned fruits that are packed in its own juice and without sugar. Try unsweetened frozen fruit.

Watch your weight. If you need to lose weight, do it slowly, usually 1-2 lbs. per week and inform your health care provider. If you lose weight without trying, talk with your doctor.

Include exercise as part of your daily activity.

Walking is a great way to exercise.

Include high fiber foods in your diet. Fiber will help control your blood sugars. Fiber is found in many fresh fruits, vegetables, and whole grain breads and cereals.

Consult with registered dietitian and/or your health care provider to help you put together a diet based on your health goals, food preferences, and lifestyle.
